HUDSON ANNOUNCES PRIVATE PLACEMENT

Vancouver, BC - **HUDSON RESOURCES INC.** ("Hudson" – TSX Venture Exchange "HUD") announces that it will be seeking approval from the TSX Venture Exchange to complete a non-brokered private placement of 3 Million units ("Units") of the Company. The Units will be priced at \$1.00 per Unit for total proceeds to the Company of \$3 million. Each Unit will be comprised of one fully paid and non-assessable common share (a "Share") in the capital of the Company and one-half of one transferable Common Share purchase warrant (a "Warrant"). Each whole Warrant shall entitle the holder thereof to purchase one additional Share (a "Warrant Share") in the capital of the Company from the date of the issue until expiry 12 months after such date at an exercise price of \$1.30 per Warrant Share. Hudson reserves the right to issue an over-allotment of 2 million Units for additional proceeds of \$2 million. A finder's fee will be paid to arm's-length parties on this private placement.

The proceeds of the private placement will be used to complete the 2007 exploration program on the Company's Greenland diamond project. This program includes a 5,000m exploration and definition drill program, which is currently underway, and the extraction and processing of a 600 tonne bulk sample at the Garnet Lake dike. Hudson will be establishing a dense media separation diamond recovery plant on site. Upon the closing of this private placement, scheduled for June 6, 2007, Hudson will have sufficient working capital to meet its planned exploration commitments for 2007.

This news release does not constitute an offer to sell or a solicitation of an offer to buy any of the securities in the U.S. The securities have not been and will not be registered under the U.S. Securities Act of 1933, as amended, or any state securities laws and may not be offered or sold within the U.S. or to U.S. persons unless registered under the U.S. Securities Act and applicable state securities laws or an exemption from such registration is available.
